

Final Report

NAME: SANA CHIBBER

INTERNSHIP DURATION: 1 MONTH

MENTOR: SMRITI RUSTAGI

Week 1 Work Report (2nd June- 6th June 2025):

1. Under-18 Internship- Online Coordination

- Shared **Task 1** with all the under-18 interns through the designated communication channels.
- Clearly explained the task guidelines, expectations, and deadlines to ensure clarity among all participants.
- Provided a **submission link** & ensured it was accessible to all students.
- Maintained regular **follow-up & communication** throughout the week to support interns & encourage timely submission.
- Verified, cross-checked, and documented all assignment submissions by the **end of the week** to ensure completion and maintain accurate records.

2. On-Ground Field Work- PACE, Wazirpur Village

- Carried out **field outreach activities** as part of the community engagement strategy at **PACE Centre, Wazirpur Village**.
- Engaged with local families & children to provide assistance and raise awareness on documentation needs.
- Specifically focused on:
 - **Adhaar Card enrolment** for children under the age of 18.
 - **Updating Adhaar details** for existing cardholders.
 - Also, whether their children are **enrolled in school** or not
- Highlighted the **importance of proper documentation** in enabling children to access their rights and government entitlements (e.g., education, healthcare, welfare schemes)
- Promoted a right-based approach to documentation among community members.
- Provided assistance to the PACE team by doing some data entry & other work in which they needed help.

Week 2 Work Report (9th June- 13th June 2025):

1. Under-18 Internship- Online Coordination:

- Shared **Task 2** with all the under-18 interns along with detailed explanation of the task requirements & expectations. Ensured that all students understood the objective and deadlines.
- Provided students with the **submission link** & necessary guidelines to ensure smooth and uniform submission of assignment.
- Maintained **regular follow-up** through messages & calls to track their progress and provide support whenever required.
- Verified all submissions, ensured completeness, and documented them systematically by the end of the week.

2. On-Ground Field Work- PACE, Wazirpur Village:

A. Adhaar Card Enrolment/Update Camp for children under the age of 18

- Supported the PACE team in functioning of the camp dedicated to children under 18.
- Assisted parents & children through the documentation and procedural steps, helping them understand and complete the process efficiently.
- Recorded accurate details of each child attending the camp in the register for official use & follow-up.

B. Data Entry & Documentation

- Digitized the case records by transferring handwritten entries from the register into a structured Excel, ensured high accuracy and maintained confidentiality while handling personal & sensitive data of children, women and their families.

C. Visit to another PACE Centre

- Visited a second PACE Centre within the locality to gain broader insights into CRY's fieldwork & engage with peers.
- Participated in informal group discussion with the girl students, understanding their experiences and sharing ideas for improvement.
- Initiated an interactive session focused on education, self-awareness, and aspirations.
- Facilitated discussions around- **Personal safety & awareness, Communication & confidence-building.**
- Encouraged participation and created a safe space for the students to express their thoughts and ask questions.

D. Celebrated World Against Child Labour Day

- Helped the PACE team in organizing the whole event.
- The students performed an act.
- Some even narrated their own written poem about child labour
- A short film was shown to the children about child labour

E. Case Files notes

- Made notes of the court cases that were filed by the PACE team.
- The cases were either disposed or still pending

Week 3 Work Report (16th June- 21st June 2025):

1. Under-18 Internship- Online Coordinated:

- Successfully shared **Task 3** with all the under-18 interns. The task details were clearly explained to ensure proper understanding among the students.
- Provided the **submission link** along with guidelines for smooth completion and submission of assignments. Maintained **regular communication** through reminders and check-ins to support students & resolve any doubts or issues they face.

2. Submission Tracking and Documentation:

- Developed and maintained a structured **Excel sheet** to systematically record the submissions made by each intern.
- Sent timely reminders to students who were yet to submit their work. Ensured that all students completed their assignments within the deadline and updated the Excel record accordingly to reflect the final status of each submission.

3. On-Ground Field Work- PACE, Wazirpur Village:

a. Field Visit

- Went on field visit to a lady's house who had an incident of an attack on her by 4 boys the previous night, where she was even taken to the hospital by a PCR van.
- Registered her case at the centre. Also, made an official complaint letter to give to the police.
- Went down to the police station to get her case registered.

b. Case Files notes

- Made notes of the court cases that were filed by the PACE team.
- The cases were either disposed or still pending

c. Grading of papers

- Graded children's papers and then maintained the record in an excel sheet.

d. Callings

- Did Callings to people to get an update on their cases that were registered at the PACE centre related to **Domestic Violence**.

e. Data Entry & Documentation

- Digitized the case records by transferring handwritten entries from the register into a structured Excel, ensured high accuracy and maintained confidentiality while handling personal & sensitive data of children, women and their families.

4. World Music Day Fundraising Event- Hauz Khas

- Was part of the organizing team, the whole week we organized for the event. Promoted the event on social media, contacted influencers to promote the event, contacted band and singers for the event, made the itinerary for the event.
- During the event made sure there was no problem, and the event was running smoothly.

Week 4 Work Report (23rd June- 30th June 2025):

1. Final Task Distribution and Communication

- Successfully shared **Task 4** with all selected under-18 interns.
- Clearly explained the task objectives, instructions, and expectations to ensure clarity and proper execution.
- Provided the **submission link** to all interns for uploading their completed assignments.

2. Submission Tracking

- Diligently **updated the Excel sheet** to track the submission status of each student.
- Ensured all records were accurate and reflected the real-time progress of submissions.

3. On-Ground Field Work- PACE, Wazirpur Village

I. Data Entry & Documentation

- Digitized the case records by transferring handwritten entries from the register into a structured Excel, ensured high accuracy and maintained confidentiality while handling personal & sensitive data of children, women and their families.
- The cases were mostly related to **Domestic Violence, EWS admission, Dispute with neighbour, etc.**

II. Interaction with Children

- Interacted with children at the PACE Centre, got to know about them, about their family, their interests, dream- what they want to become, their favourite subject, and activities that they do at the centre.

III. Content Writing

- Wrote content for the team for fundraising. Wrote about the centre, about their children and wrote a story about one of the children.

IV. Session with the Adolescent Girls

- Took a session with the adolescent girls on **mental health & early marriage**.
- In the session, talked about what is mental health, why it is important, affects of it. Asked them about their mental health issues, suggested some ideas to overcome them. Also talked about their dreams and then early marriage- its effects on mental health, rather than marrying early- focus on career building & independency. Also talked about few inspiring women like Kalpana Chawla & Mary Kom.

V. Data Entry

- Data entry in excel sheet of the children newly enrolled in school through **non-plan admission**.

VI. World Against Drug abuse & Illicit trafficking event

- Helped the team in organizing the event, talked about the harm caused by **drugs and about illicit trafficking**. Made sure each child understood the harm and impact of drugs.

VII. Created a Module/Guide

- Created a module/guide for the PACE team on **understanding mental health**.
- This will help the team to understand if any of the children or people coming to the centre have trouble with mental health.
- The guide consisted of- what is mental health, why it matters, common mental health problems, how to recognize the signs, myths & facts, how to support someone in need, and when to seek professional help.
- When I took the session with children on mental health, I could see & feel that a lot of them were going through some mental health issues, hopefully this guide will help them.

VIII. Created case studies

- Created case studies on children's cases, who were recently enrolled back into school through **non-plan admission**. The case included- about their life & struggle also why they were dropped out before.
